

ADDISON TOWNSHIP APPLICATION
PUD, Plats, Rezoning, Site Plan, or Special use

This application is not accepted as complete, and bound by timeframes in the ordinance until it is determined to be administratively complete as evidenced below by the date and the signature of the Township representative.

Date _____

By _____

Office use _____

For Information relative to the powers and duties of the Addison Township Planning Commission, please refer to the Michigan Zoning Enabling Act (MZEA) Public Act 110 of 2006 as amended. (MCL 125.3101-125.3702)

For information on Addison Township Zoning Ordinances, you may visit the Township website (www.addisontwp.org) "Township Information", Code of Ordinances, Appendix A, Zoning Ordinance or contact the Township Clerk for copies or viewing the ordinances as requested.

Administration/Application fees are non- refundable.

Application Instructions/General Information

1. Complete the application with the submittal packages. The application shall be filed with the Township Clerk for distribution to the Planning Commission, Planner and Engineer, if applicable. Planning Commission meetings are scheduled on the second Tuesday of each month @ 6:00 p.m. The Township Board meetings are scheduled for the third Monday of every month @ 6:00 p.m.
2. Submit the application, along with the following information for the application completeness review. (This is not an exhaustive list as the Planning Commission/Planner/Township Board reserve the right to require further information as detailed in the applicable Zoning Ordinances)
 - a. Copy of deed and/or deed restrictions, if applicable.
 - b. Is the real property governed by Homeowners Association? ____Yes ____No
 - c. If yes, and required by the Homeowners Association, submit the Homeowners Association Approval. ____submitted ____not required.
 - d. If the real property at issue is owned by business, corporation, partnership, or an LLC, a resolution shall be submitted naming the person (s) acting as their agent and authorization of proposal. If applicant is not the owner, a notarized letter of authorization naming the person to act as agent and authorization of the proposal shall be submitted with the application.
 - e. Proof of ownership must be submitted with application (deed, land contract, option or similar document). All property owners are required to sign application. If the applicant is not the owner of record, a signed notarized letter of authority and authorization from property owner (s) to act as agent shall be submitted with the application.
 - f. Statement indicating why, in your opinion, the zoning designation change, special use or development request is necessary for the preservation and enjoyment of your property rights, and why such change will not be detrimental to the public welfare, nor the property of others located in the vicinity.
 - g. Any additional information which the applicant determines to submit with the application; including addressing/submitting a response to the Standards in the Zoning Ordinance that pertain to the application.
 - h. Twenty (20) Engineered Site Plans, folded and ready for mailing (engineered site plans do not

**ADDISON TOWNSHIP
HAZARDOUS SUBSTANCE REPORTING FORM
FOR SITE PLAN REVIEW**

Note: This form should be completed and submitted as part of the site plan for facilities which may use, store, or generate hazardous substances or polluting materials (including petroleum-based products)

Name of business: _____

Name of business owner: _____

Street and mailing address: _____

Telephone: _____

I affirm that the information submitted is accurate.

Owner's signature: _____

Information compiled by: _____

part 1: Management of Hazardous Substances and Polluting Materials

- 1. Y N** Will the proposed facility store, use or generate hazardous substances or polluting materials (including petroleum based products) now or in the future? If yes, please complete this form and submit with your site plan.
- 2. Y N** Will hazardous substances or polluting materials be reused or recycled on-site?
- 3. Y N** Will any hazardous substances or polluting materials be stored on-site? If yes, identify the storage location on the site plan. Describe the size and type of secondary containment structure here or on an attached page.

- 4. Y N** Will new underground storage tanks be located less than 2000 feet from drinking water wells serving two or more establishments, or less than 300 feet from a single family drinking water well?
- 5. Y N** Are existing underground storage tanks on-site less than 200 feet from a drinking water well serving more than a single household?

If the answers to #4 or #5 are yes, you may be in violation of State of Michigan underground storage tank regulations. Contact the State Police Fire Marshal Division, Lansing Central office for specific requirements. Telephone (517) 322- 5479 or 1-800 MISH UST.

6. Y N Will the interior of the facility have general purpose floor drains? If yes, will the floor drain connect to: (circle one)
- a. Sanitary sewer system
 - b. On-site holding link, or
 - c. On-site system approved by the Michigan Department of Natural Resources in accordance with groundwater discharge permit requirements (Tel. Waste Management Division, SE Michigan office, at (313) 953-0241.)

- Note: General-purpose floor drains should not be connected to a storm water drainage system, dry well, or septic system.

7. Y N Will hazardous substances or polluting materials be stored, used, or handled out-of-doors near storm drains which discharge to lakes, streams, or wetlands? If yes, describe the type of catch basin or spill containment facilities which will be used (use an attached sheet with diagram if appropriate).

Additional information may be requested from the Township to assure that site plans comply with local, county, and state environmental protection requirements.

TYPES AND QUANTITIES OF HAZARDOUS SUBSTANCES AND POLLUTING MATERIALS WHICH WILL BE USED, STORED, OR GENERATED ON-SITE

Please list the hazardous substances and polluting materials (including chemicals, hazardous materials, petroleum products, hazardous wastes and other polluting materials) which are expected to be used, stored or generated on-site. Quantities should reflect the maximum volumes on land at any time. Attach additional pages, if necessary to list all hazardous substances and polluting materials.

P. Liquid=Pressurized Liquid
S = Solid
G = Gas
P.G = Pressurized Gas

STATE/COUNTY ENVIRONMENTAL PERMITS CHECKLIST FOR THE TOWNSHIP OF ADDISON

This checklist has been prepared to alert businesses to state and county environmental permit requirements which may apply to new or existing facilities. Applicants are requested to complete this form and submit it to the Township office with any proposed site plan. Upon receipt, the Township will forward the information to the permit coordinator, Michigan Department of Natural Resources. Compliance with applicable county and state requirements is a pre-requisite for site plan approval in the Township of Addison.

This checklist is not a permit application form; businesses are responsible for obtaining information and permit application forms from appropriate government offices. Please note that this form does not identify Township of Addison requirements which may apply to new or expanded facilities. For further information, please contact the Township office at (248) 628-3317.

Please circle the regulations which you think may apply to your business.

1. Y/N Will the project involve the discharge of any type of wastewater to a storm sewer, drain, lake, stream or other surface water?
Contact: Michigan Department of Natural Resources, Surface Water Quality Division, Southeast Michigan District office.

2. Y/N Will the project involve the discharge of liquids, sludges, wastewater and/or wastewater residuals into or onto the ground?
Contact: Michigan Department of Natural Resources, Waste Management Division Southeast Michigan District office.

3. Y/N Will the project or facility store or use hazardous substances, oil or salt?
Depending on the type of substance, secondary containment and a Pollution Incident Prevention Plan (or a material storage permit) may be required.
Contact: Michigan Department of Natural Resources, Waste Management Division Southeast Michigan District office.

4. Y/N Will the facility use underground storage tanks? Existing tanks must be registered with the State Police Fire Marshal Division. Tanks must be installed and operated in accordance with state regulations.
Contact: Michigan State Police Fire Marshal Division. Hazardous Materials Section, Lansing.

5. Y/N Will the facility involve the transport, on-site treatment, storage or disposal of hazardous waste generated in quantities of 1000 kilograms (250 gallons or 2200 pounds) or more per month? If yes, one or more permits may be required.

Will the facility generate between 100 kilograms/month (25 gallons or 220 pounds and 1000 kilograms/month (250 gallons or 2200 pounds) of hazardous waste?

If yes, the facility may be a small quantity generator, subject to federal and state regulations. An EPA identification number should be obtained from the Michigan Department of Natural Resources (special forms are available) and a manifest (shipping paper) should be used to transport waste off-site.

Contact: Michigan Department of Natural Resources, Waste Management Division, Southeast Michigan District office.

6. Y/N Will the project involve burning, landfilling, transferring or processing any type of solid non-hazardous wastes on-site?
Contact: Michigan Department of Natural Resources, Waste Management Division, Southeast Michigan District office.
7. Y/N Will the project involve the installation, construction, reconstruction, relocation, or alteration of any process or process equipment (including air pollution control equipment) which has the potential to emit air contaminants?
Contact: Michigan Department of Natural Resources, Air Quality Division, Permit Section, Southeast Michigan District office (telephone for information and assistance).
8. Y/N Will the project involve any man-made change in the natural cover or topography of land, including cut and fill activities which may contribute to soil erosion and sedimentation? Will the earth change disturb an area of one acre or more, or occur within 500 feet of a lake or stream? If the answer to both of these questions is yes, a soil erosion and sedimentation control permit is required.
Contact: Oakland County Resource Commissioner, Pontiac.
9. Y/N Will the project involve any work (dredging, filling, construction) in a river, stream, creek, ditch, wetland or floodplain, or within 500 feet of an inland lake, river, stream creek or ditch?
Contact: Michigan Department of Natural Resources, Land and Water Management Division, Pontiac Area Office.
10. Y/N Will an on-site wastewater treatment system or septic system be installed? Will septage be stored on-site prior to off-site disposal?
Contact: For sanitary sewage - Oakland County Environmental Health.

For industrial/commercial wastewater in any quantity or more than 10,000 gallons/day of sanitary sewage – Michigan Department of Natural Resources, Waste Management Division, Southeast Michigan District office.
11. Y/N Is the facility (or any facility/property under your ownership) currently involved in any compliance discussions with the Michigan Department of Natural Resources or the Michigan Attorney General's Office?
Contact: Michigan Department of Natural Resources, Office of Environmental Enforcement.

12. Y/N Is this facility/property (or any facility/property under your ownership) included on the Act 307 Priority List, "Michigan Sites of Environmental Contamination": or subject to corrective action under the Leaking Underground Storage (LUST) program?
Contact: Michigan Department of Natural Resources, Environmental Response Division, Southeast Michigan District office.

Note: For assistance with permits and approvals for the Michigan Department of Natural Resources, including permit coordination among MDNR divisions, contact the Permit Coordinator, Lansing Central office.

Land Development Cost Recovery

Whereas at a meeting of the Addison Township Board held on June 19, 2006, at the Addison Township Complex, 1440 Rochester RD. Leonard.

Members present: Supervisor Koski, Treasurer Alberty, Clerk Bennett, Trustees Brakefield , Sutphin, Sypitkowski and VonDrak

Absent:

The Board realizes and reviewed the planners past comments concerning the requirements for storm water review and the review of documents concerning private road and development of such, and

Whereas the current land development fee schedule does not address the planner review of private roads concerning the documents for private road agreements and storm water phase two and

Whereas the Township Board approves the fee of five hundred \$500.00 dollars per private road application to cover the cost associated with these reviews. This fee shall be itemized on the monthly planner invoice and,

Whereas the planner will provide written a written review addressing all private road application.

Now be it further resolved that this cost recovery fee be attached to the land development fee schedule. This is a one-time fee for planner review unless applicant modifies the location of the private road. Addison Township fee schedule is subject to change, all applications received after adoption shall be invoiced at the approved rate. These fees shall be effective upon adoption.

Offered by: Trustee Sutphin
Second By: Treasurer Alberty
Upon a roll call vote:
Aye: (7) seven
Nay: (0) zero
Absent: (0) none

Resolution passed by the Addison Township Board on June 19, 2006
Supervisor declared resolution adopted

Pauline Bennett,
Addison Township Clerk
